These five people share a love of tennis. But - from the clues below - can you work out at which club each of the five plays, what their surname is, and how old they are?

- 1 - Margaret joined Worthies club last Summer, and hopes to still be playing when she hits 40.
- 2 - Stephen isn't at Bartletts, whose member is the second oldest and isn't a Kelly.
- 3 - Anne, the youngest player, isn't a Harrison, and doesn't play at Overhampton, the club of Mr Osuna.
- 4 - Racquets only has male members - Carlos would never join it and Margaret Kelly can't! Clive is the second eldest player, being junior to Stephen Atkins.
